According to the San Miguel County Sheriff Bill Masters, BHO was trespassing on the land and were notified to vacate immediately, to which they complied. In addition, several members of the community stated that they had seen groups of up to 20 armed, black uniformed individuals walking in the area and blocking traffic prior to being told to depart the area.

For reference: According to Article 5 of "the BHO Constitution, Hammer City is liberated Territory and is under the exclusive jurisdiction of the BHO." Furthermore Article 7 of the BHO states that "the dictatorship of the land and resources of Hammer City belong to the Indigenous Nations who are original stewards of that land. From the land, political power-- over the land a nation. Each nation has the highest regional authority of state power."
